

CREATE A DISCUSSION FORUM

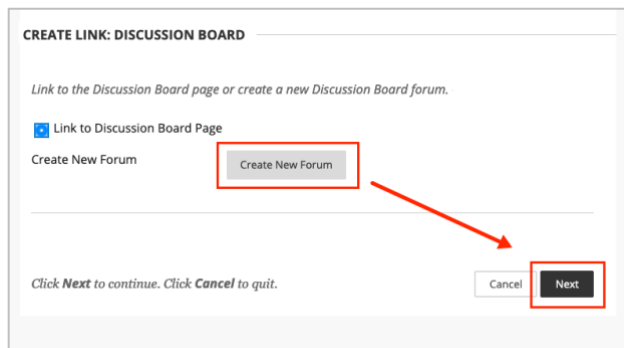

Discussion forums in ulearn provide a space for students to discuss various course topics. They can be used to supplement class discussion outside of class time. Follow the steps below to create a discussion forum in ulearn.

Instructions

1. Within a course [content area](#) (i.e., Week 1), click on **Discussion Board** under the **Add Collaboration Tool** tab.

2. Click the **Create New Forum** button and then click **Next**.

3. Provide a **name** and enter a **description** for your forum.

Standard View

Participants must create a thread in order to view other threads in this forum.
If participants are required to create threads in order to view other threads in the forum, they cannot delete or edit their own posts, and cannot post anonymously. Those options will be set for you automatically.

- In the Grade section, click **Grade Discussion Forum** and enter points possible. This will also create a grade center column for you to easily grade the discussion.
