

# CREATE KALTURA VIDEO QUIZ

Instructors can create an interactive video quiz with Kaltura Media's video quizzing tool. This guide covers how to create the quiz in the media gallery and add it in a content area for students to take.

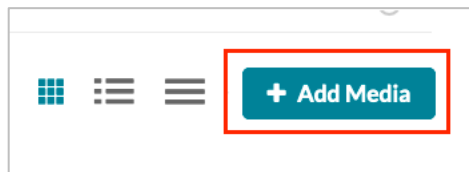

---

## Instructions

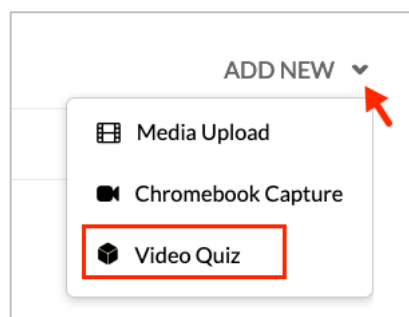

1. **Select a ulearn course.**
2. Click on **Course Tools** and then select **Media Gallery**.

3. Click **Add Media**.

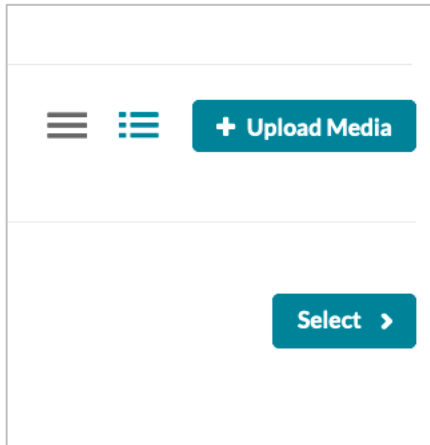

4. From the **Add New** menu select **Video Quiz**.

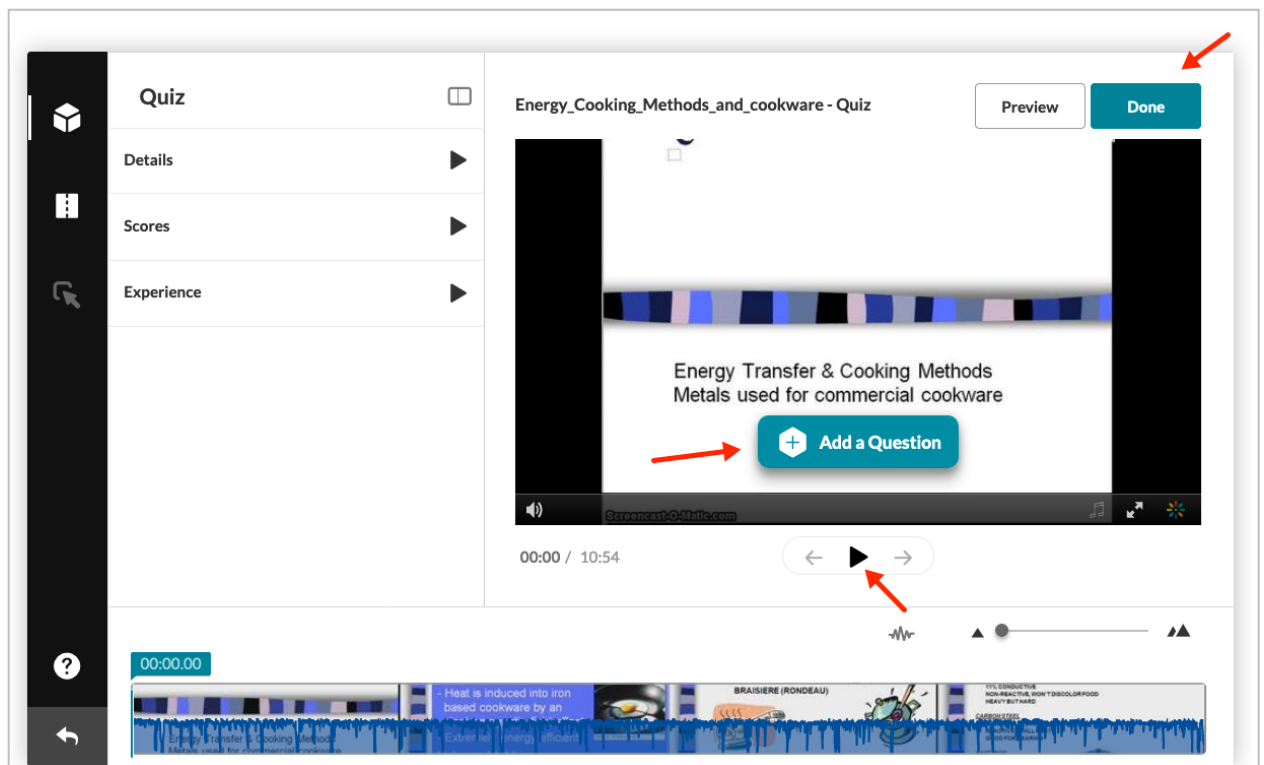

## CREATE KALTURA VIDEO QUIZ

- To select a video file you previously uploaded click **Select** for your chosen video. If adding a new video click **Upload Media** and follow the prompts to upload your file.

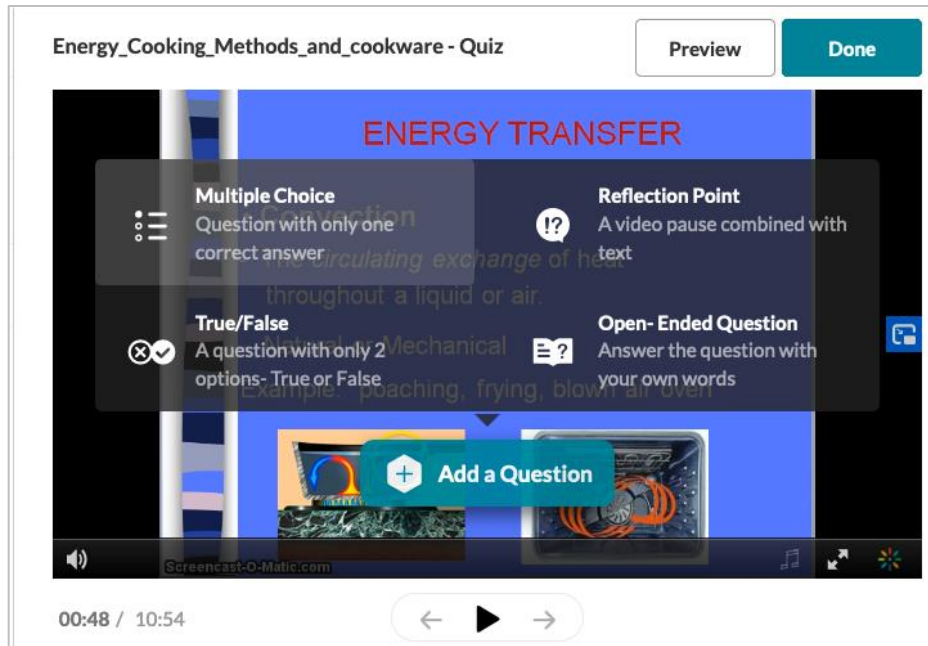

- The Kaltura Quiz Tool feature appears. Click the **play head** to play the video. When ready to insert a question into the video click the **pause icon** that appears while the video is playing and then click the **Add a Question** button will appear.

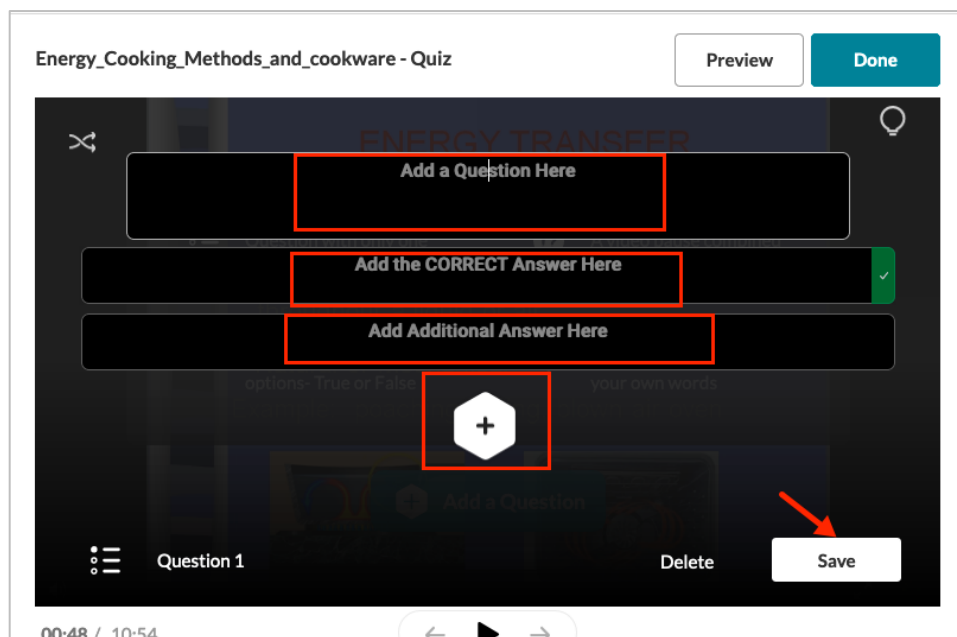

- Choose a question type (Multiple Choice, True/False, Reflection Point, Open-Ended Question).

# CREATE KALTURA VIDEO QUIZ

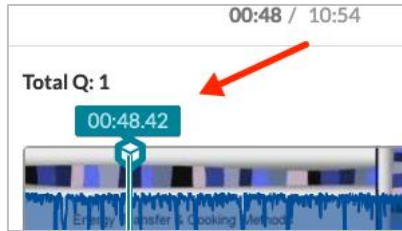

8. Enter the Question in the “**Add a Question Here**” box. Add the correct answer in the “**Add the CORRECT Answer Here**” box. To add additional (incorrect) answers click the “**Add Additional Answer Here**” box. Click the + to add additional answer choices. Click **Save** when done.

9. The question is inserted into the timeline.

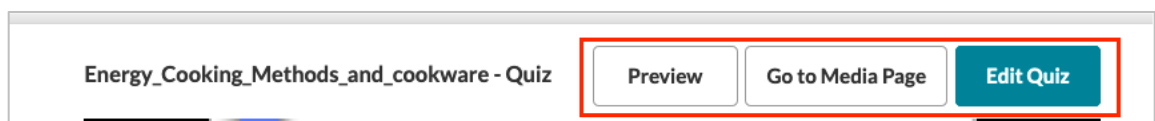

10. Click the **video playhead** to continue playing the video or click an area of the timeline to advance the video. When ready to enter another question repeat steps 5-7 above.

11. When you have finished adding your questions, you will see them appear on the timeline. When done adding questions, click **Done**.

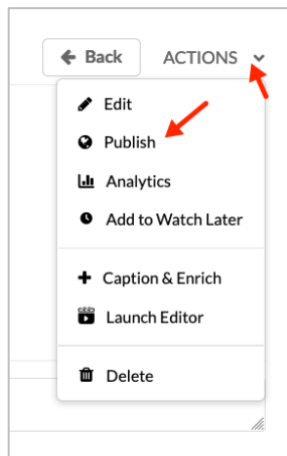

12. You can **Preview** the quiz, **Edit the Quiz**, or click **Go to Media Page** when ready to publish the quiz for students to take.

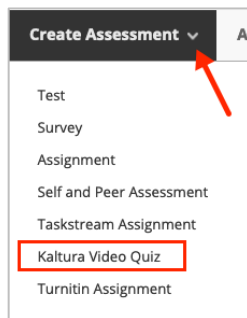

# CREATE KALTURA VIDEO QUIZ

13. When ready to publish, click **Publish** from the **Actions** menu.

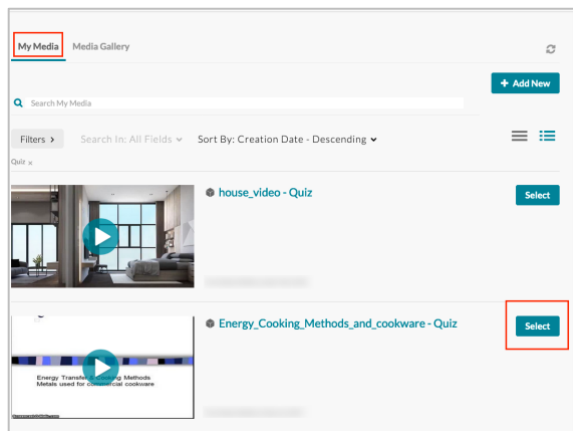

14. To create a link for students to take, click a **content area** of your course (i.e., Week 4).

15. From the **Create Assessment** menu select **Kaltura Video Quiz**.

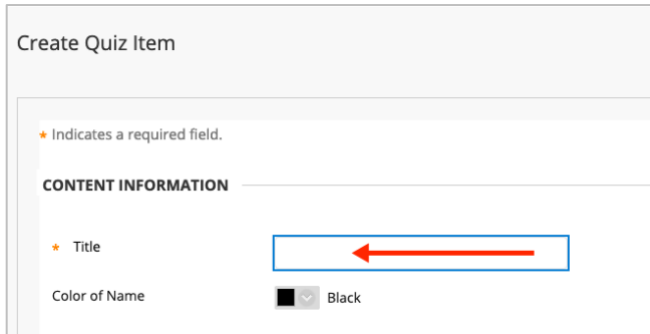

16. In the media gallery, select the video you want for the video quiz by clicking the **Select** option. If you do not have a video to select, click [Add New](#) to add a new video.
