

DISCUSSION FORUM: ADD A RUBRIC

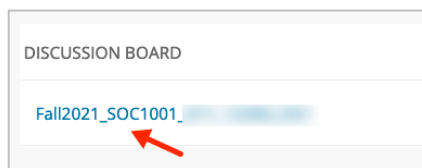

Follow these steps to associate/add a rubric you have [already created in ulearn](#) to a discussion board. You will need to repeat these steps for every discussion forum you need to add a rubric to.

Instructions

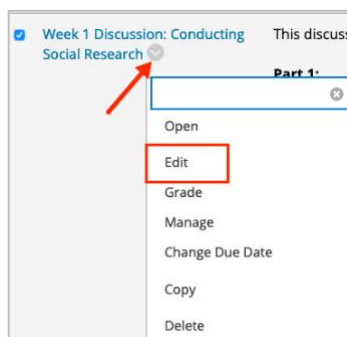

1. From the Course Tools menu select **Discussion Board**.

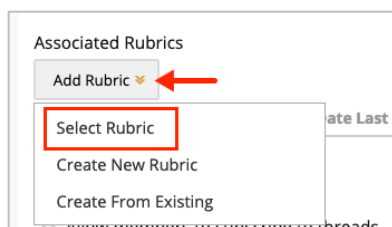

2. Select the **course name and ID** from the Discussion Board list.

3. Click the **down arrow** next to the forum name and select **Edit**.

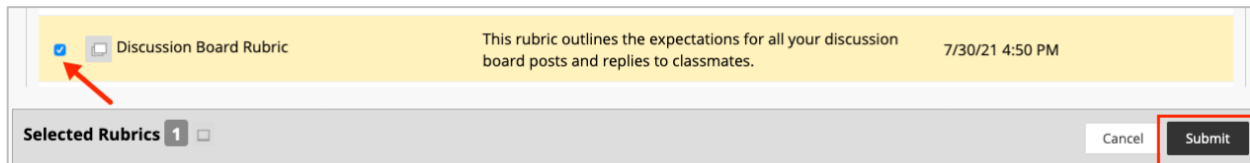

4. From the Add Rubric menu, click **Select Rubric**.

DISCUSSION FORUM: ADD A RUBRIC

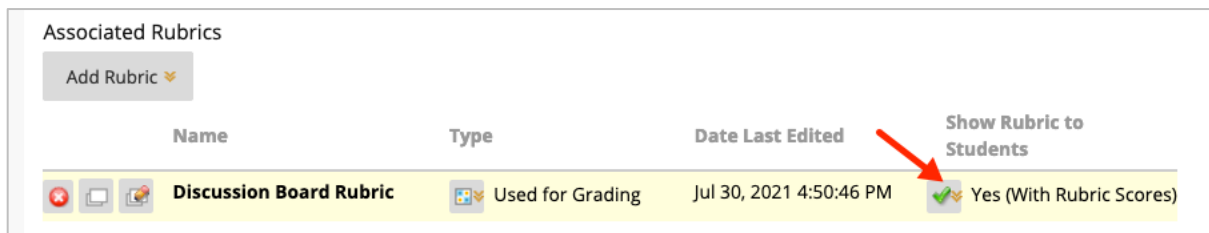

- Put a **check in the box** for the discussion board rubric you wish to select. When done click **Submit**.

Discussion Board Rubric This rubric outlines the expectations for all your discussion board posts and replies to classmates. 7/30/21 4:50 PM

Selected Rubrics 1

- Change the default from No to **Yes (With Rubric Scores)** from the Show Rubric to Students heading.

Associated Rubrics
