

JOURNAL: ADD A RUBRIC

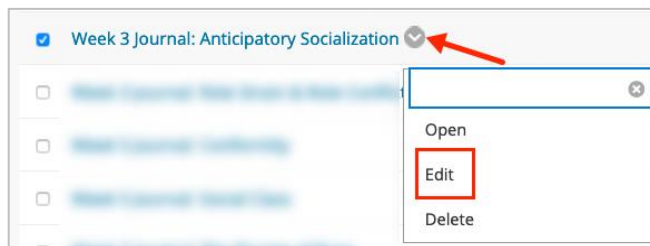

Follow these steps to associate/add a rubric you have [already created in ulearn](#) to a journal. You will need to repeat these steps for every journal you need to add a rubric to.

Instructions

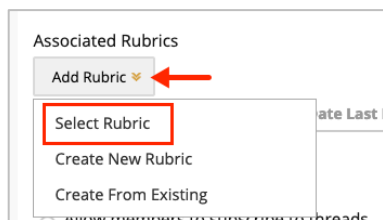

1. From the Course Tools menu select **Journals**.

2. Navigate to the **down arrow** for the journal you wish to add a rubric and select **Edit**.

3. From the Add Rubric menu, click **Select Rubric**.

4. Put a **check in the box** for the journal rubric you wish to select. When done click **Submit**.

JOURNAL: ADD A RUBRIC

Journal Rubric

This rubric outlines the expectations for all your journal assignments. Journal entries should be between 200 - 300 words (please avoid the use of bullets, type in full paragraphs). Journals are between you and the instructor. Your classmates will not be able to view your entries.

7/30/21 4:50 PM
