

EDIT TURNITIN AFTER A COURSE COPY

The new version of Turnitin (2022) requires that you make edits to Turnitin after you course copy the course (either yourself or requesting it from IT).

Instructions

1. Go to a [content area](#) where the Turnitin assignment is located and click the **down arrow** for the assignment and select **edit**.

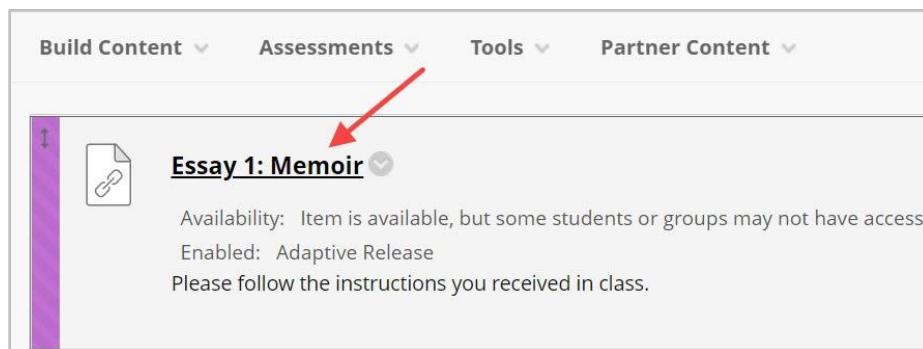

2. Click to change the due date and time.

3. Click **Submit** when done.

4. Return to the [content area](#) or folder and click on the **Turnitin assignment link**.

5. On the Turnitin page, click the **gear** icon on the upper right corner of the page to access the Settings.

6. You will be able to change two dates on here – the Start Date and the Feedback Release Date. **Click each** to change to the new semester dates.

The screenshot shows the Turnitin settings page. There are three sections: 'Start Date', 'Due Date', and 'Feedback Release Date'. Each section has a calendar icon and a date field. The 'Start Date' field is highlighted with a red box and contains the text '2022-03-01 12:00 EST'. The 'Feedback Release Date' field is also highlighted with a red box and contains the text '2022-03-20 12:00 EDT'.

7. Click **Submit**.
